- 10 ft. power cord and built-in AC outlets for each device

Package Includes

- CS32AC 32-Device AC Charging Station Cabinet
- (2) Keys for door lock
- Owner's manual

Description

The CS32AC 32-Device AC Charging Station Cabinet provides AC charging, secure storage and cord management for up to 32 tablets. It's ideal for education, office, commercial, retail, industrial and healthcare environments.

32 AC outlets provide convenient charging. The charging station is compatible with all devices that charge via user-supplied USB power adapters, including iPad, Android, Kindle, Kindle Fire and Surface tablets and iPhone, Android and Windows smartphones.

The charging station provides comprehensive device protection, with steel construction and a powder-coated finish for long-term durability. It locks with the included keys to prevent device theft, damage or tampering, and flow-through ventilation prevents overheating.

The charging station also provides clutter-free organization of devices and cabling. AC outlets, power adapters and cords store out of sight. Toolless trim panels permit quick service access.

The charging station is easy to configure. It ships fully assembled and supports mounting to a wall, desk, table, counter or floor. The front door opens 180 degrees and side panels are removable for unrestricted device and service access. Removable dividers accommodate thicker devices. You can also convert the charging station to a mobile cart with Tripp Lite's [CSHANDLEKIT](#) accessory and roll it where needed.

Features

Convenient Charging

- 32 AC outlets charge up to 32 iPad, Android, Kindle or Surface tablets

- Compatible with all devices that charge via user-supplied USB power adapters, including iPad, Android, Kindle, Kindle Fire and Surface tablets and iPhone, Android and Windows smartphones
- 10 ft. AC input cord reaches distant outlets

Comprehensive Protection

- Sturdy steel construction and powder-coated finish provide long-term durability
- Door locks with included keys to prevent device theft, damage or tampering
- Flow-through ventilation prevents devices from overheating
- Coated shelves shield devices from scratches and scuffs
- Built-in circuit breakers protect against overloads

Clutter-Free Organization

- AC outlets, device AC adapters and cords store out of sight
- Shelves include charging cord access ports for each device
- Toolless trim panels permit quick access to AC adapters and cords
- Outlets spaced to fit bulky power adapters without blocking adjacent outlets

Flexible Configuration

- Ships fully assembled
- Supports mounting to wall, desk, table, counter or floor
- Converts to mobile cart with optional [CSHANDLEKIT](#) accessory
- Door opens 180 degrees and side panels are removable for clear access
- Removable dividers accommodate thicker devices like battery chargers

Вы можете приобрести в компании MosChip.

Для оперативного оформления запроса Вам необходимо перейти по данной ссылке:

<http://moschip.ru/get-element>

Вы можете разместить у нас заказ для любого Вашего проекта, будь то серийное производство или разработка единичного прибора.

В нашем ассортименте представлены ведущие мировые производители активных и пассивных электронных компонентов.

Нашей специализацией является поставка электронной компонентной базы двойного назначения, продукции таких производителей как XILINX, Intel (ex.ALTERA), Vicor, Microchip, Texas Instruments, Analog Devices, Mini-Circuits, Amphenol, Glenair.

Сотрудничество с глобальными дистрибьюторами электронных компонентов, предоставляет возможность заказывать и получать с международных складов практически любой перечень компонентов в оптимальные для Вас сроки.

На всех этапах разработки и производства наши партнеры могут получить квалифицированную поддержку опытных инженеров.

Система менеджмента качества компании отвечает требованиям в соответствии с ГОСТ Р ИСО 9001, ГОСТ РВ 0015-002 и ЭС РД 009
