Cruzer Fit | Plug-and-Stay, Low-Profile Design

Whether it's your favorite music or your most important work documents, the Cruzer Fit™ USB flash drive gives you the storage you need in a compact and portable device.

With its low-profile design, the Cruzer Fit USB flash drive easily fits USB ports and blends in with your notebooks, tablets, TVs and car audio systems. Whether it's your favorite music, pictures, music collection, video collection or your work documents, the Cruzer Fit USB flash drive gives you the ever-present storage you need in a compact and portable device. Protect access to your private data with the included SanDisk SecureAccess™ software¹.

Cruzer Edge | From laptop to TV to car stereo, take your files wherever you need

Take your favorite files with you on the compact and stylish Cruzer Edge USB flash drive.

Great for your keychain! The Cruzer Edge is a retractable USB connector in a stylish, compact package; all this and the strength to withstand life's little bumps and bruises. With its simple slider design, it's perfect for taking your favorite files with you. Keep your data from prying eyes with the SanDisk SecureAccess™ software¹.

Cruzer UltraFIT | Plug-and-stay storage for all your devices

Extend your storage capacity by up to 128GB with this tiny, unobtrusive USB 3.0 flash drive. Connect it to hard-to-access TV USB ports for video playback or let it ride along in your notebook or car audio system wherever you go.

Equipped with SanDisk SecureAccess, you can keep your private files private! The SanDisk Ultra Fit USB 3.0 creates a password-protected private folder on your flash drive. Your private files are protected with 128-bit AES encryption, so you'll be able to share your USB drive without compromising your privacy.

When your data matters, you can trust SanDisk.
