

## USB 2.0 Hi-Speed A/B Cable (M/M), 10-ft.

MODEL NUMBER: **U022-010**

### Description

Tripp Lite's 10-ft. gold USB 2.0 A/B device cable meets or exceeds USB 2.0 Specifications. Connects a USB device to a USB port on a computer or hub. Backward compatible - can be used with older USB 1.1 applications as well. All Tripp Lite USB 2.0 cabling include superior foil shielding for reliable, error-free data communications. The significantly faster data transfer rates of USB 2.0 (up to 480 Mbps) make them perfect for multimedia applications. Features gold plated connectors and gold plated copper contacts for superior conductivity. The cable is manufactured with molded connectors and integral strain relief for extra durability and long life.

### Features

- Meets or exceeds USB 2.0 specifications
- Supports faster data transfer rate (1.5 to 480 Mbps) for low speed and high speed devices including multimedia applications
- Premium double-shielded cables with tinned copper braid and aluminum Mylar foil
- Gold-plated connectors and gold-plated copper contacts for superior conductivity
- Molded connectors and integral strain relief for extra durability and long life

## Specifications

| MODEL TEXT  |                                                                                                                                                                                                                                                                                                                 |
|-------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Key Benefit | Make the connection between a USB device and your computer's USB port. This USB 2.0 A/B Gold Device Cable assures that you get maximum performance from USB 2.0 devices (e.g. printers, external hard drives). It supports fast data transfer rates of up to 480 Mbps, and is backward compatible with USB 1.1. |
| INPUT       |                                                                                                                                                                                                                                                                                                                 |

### Highlights

- Meets or exceeds USB 2.0 specifications
- Supports faster data transfer rate (1.5 to 480 Mbps) for low speed and high speed devices, including multimedia applications
- Premium double-shielded cables with tinned copper braid and aluminum mylar foil feature twisted 28AWG data lines, and 24AWG power lines.
- Gold-plated connectors provide superior conductivity

### System Requirements

- Any device requiring a USB cable (USB 2.0 performance only when used with USB 2.0 device and USB controller).

### Package Includes

- 10-ft. USB 2.0 Gold Cable USB-A to USB-B

**Вы можете приобрести в компании MosChip.**

Для оперативного оформления запроса Вам необходимо перейти по данной ссылке:

<http://moschip.ru/get-element>

Вы можете разместить у нас заказ для любого Вашего проекта, будь то серийное производство или разработка единичного прибора.

В нашем ассортименте представлены ведущие мировые производители активных и пассивных электронных компонентов.

Нашей специализацией является поставка электронной компонентной базы двойного назначения, продукции таких производителей как XILINX, Intel (ex.ALTERA), Vicor, Microchip, Texas Instruments, Analog Devices, Mini-Circuits, Amphenol, Glenair.

Сотрудничество с глобальными дистрибьюторами электронных компонентов, предоставляет возможность заказывать и получать с международных складов практически любой перечень компонентов в оптимальные для Вас сроки.

На всех этапах разработки и производства наши партнеры могут получить квалифицированную поддержку опытных инженеров.

Система менеджмента качества компании отвечает требованиям в соответствии с ГОСТ Р ИСО 9001, ГОСТ РВ 0015-002 и ЭС РД 009
